**WE WORK HARD TO PRESENT AN ACCURATE, DETAILED AND COMPLETE DESCRIPTION OF EVERY ITEM WE IF YOU HAVE ANY QUESTIONS, PLEASE EMAIL US BEFORE PLACING YOUR ORDER.**

**OUR GRADING SYSTEM IS VERY STRICT, HERE'S HOW WE SEE THINGS:**

**MINT (M):** *Visually pristine, with perhaps a slight blemish in an inconspicuous spot. An LP can be less than mint even if it is sealed. We cannot attempt to grade the vinyl portion of a sealed LP and must assume that it is mint.*

**NEAR MINT (NM):** *Sealed or unsealed. Should look either un-played or perhaps played once or twice. No spindle markings. Vinyl is shiny and glossy. Label colors are shiny and bright. Most of our product that appears to be MINT will be graded Near Mint (NM), simply because we believe there are very few true "Mint" condition LPs out there*

**NEAR MINT MINUS (NM-):** *The same as Near Mint but may have a few light scuffs or scratches. Perhaps a small bumped corner or minor seam wear from storage.*

**VERY GOOD PLUS (VG+):** *A solid representation, but may have a few marks, light scuffs, or surface noise. Still a very nice record. These are generally priced appropriately and the best bargains in our store!*

**VERY GOOD (VG):** *Will have some scratches and/or marks (nothing deep). Surface noise may be apparent. Should play through without skipping, but may contain some pops, bent corners, light stain or yellowing.*

**GOOD (G):** *Not very good at all. You won't find many of these in our store. Usually sold to fill a spot in a collection until a better copy comes along or if is an extremely rare record that is desirable in any condition. Will contain quite a few scratches, pops, and cover wear.*

## **INTERNATIONAL ORDERS**

*Flat rate or calculated shipping charges (based on package weight and size) will apply. No more than TWO (2) LPs or THREE (3) 45s will be included in any individual package. Import duties, taxes, and charges are not included in the item price or shipping. These charges are the buyer's responsibility. Check with your country's Customs office to determine any additional costs prior to bidding or buying. These charges are normally collected by the shipping company when you pick the item up. Do not confuse them for additional shipping charges.*

U.S. and International regulations prohibit such behavior.**
